MAY 1962

CONF JCS 4925 from JCS. J-3 Joint Staff sends. This msg in two parts.

25X1A

Part I. Commander in Chief, [REDACTED] has requested that the information contained in Part two be given wide dissemination to all commands

25X1A

and agencies utilizing [REDACTED] Part II. In view of the marked increase

25X1A

in the use of [REDACTED] in the past year and the high priority of commitments at

25X1A

25X1A

[REDACTED] support facilities there and support provided by [REDACTED]

25X1A

[REDACTED] are being taxed to the utmost. All agencies requesting use of [REDACTED] 25X1A

25X1A

25X1A

will furnish Hq [REDACTED] with info to [REDACTED] (A) Code name/nickname

or description of project; (B) Classification; (C) Command or agency being supported; (D) Starting date and duration; (E) Number of personnel involved. (1) PCS Officers, Airmen, Civilians, and (2) TDY officers.

airmen, civilians, (F) Facilities requirements: (1) administrative, (2) operational; (G) Fuel requirements (Gal. per month): (1) JP-4, (2) Avgas, (3) Mogas, and (4) Lub oils; (H) Aircraft type and quantity, (I) Maintenance support required:

(1) organizational, and (2) aerospace ground equipment (ground support equipment); (J) Vehicle requirements: (1) type, and (2) quantity, (K) Other

support requirements, (1) security guards; and (M) Priority and precedence rating of unit being supported. Above data should be provided as far in advance

25X1A

as possible due to the long lead time required to effect resupply to [REDACTED]

Funds required to provide unprogrammed support are not currently available.

nor is it envisioned that they will become available during this fiscal year. In

no case should the notification be less than 60 days for activities scheduled

Sanitized - Approved For Release : CIA-RDP66B00566R000100180011-4

CONFIDENTIAL

through April. Prior to any future commitments requiring support of

25X1A [REDACTED] request that information cited above be forwarded to and approved

25X1A by [REDACTED] It may be necessary to deny support to those agencies who do not

submit statements of support requirements to be levied on [REDACTED] 25X1A These

measures are being taken to insure the complete success of special projects

25X1A and to permit [REDACTED] to provide the best possible support to all concerned.
